

Q4 2019 & Q1 2020 NANI Audit for Weekly Publications

Please complete each step. Any missing information from your audit paperwork can cause a delay in your rebate check.

_____ **Clearly mark (circle or highlight) all ads** on your tear sheets.

_____ **Write the page number that the ad appeared on** next to the ad on the ad list.

_____ **Complete the audit cover sheet fully.**

_____ **State the reason any ads did not run.** Please note any ads that did not run due to clerical error or space restraints will result in a failed audit.

_____ **Include a copy of your professional circulation audit or postal statement** for the audited period. All verification audits must be from within two years to be eligible for a rebate check.

_____ Mail cover sheet, ad list, tear sheets and circulation verification to:

**NANI Headquarters
135 Old Cove Road, Suite 210
Liverpool, NY 13090**

Important Notes:

- Tearsheets dated before the ad list was sent or after the run by date will NOT be accepted.
- Many ads are very similar so **please read the ads thoroughly** to ensure that you have located the correct ad.
- It is not uncommon for audits to get lost in the mail. Please keep a copy of your submission in your office in case it has to be mailed a second time.
- Please remember that NANI rebates are contingent on the ads running correctly every week. The number of ads you run and the total verifiable circulation that the ads run in affects rebate amounts.
- If you have any questions please contact Cassey Recore at 877-203-2327 or cassey@afcp.org. You can also visit our website at afcp.org.
